

**North Orange County Regional Occupational Program  
COMMUNICATION WITH THE PUBLIC  
ROP BP 1100**

## **Policy**

### **Community Relations**

The Governing Board recognizes that positive public relations is essential to the continued success of the ROP.

The Superintendent or designee shall use all available means of communication to keep the public aware of the goals, programs, achievements and needs of the ROP.

In order to promote open communication between Board members and the public, ROP newsletters and other mass mailings shall include a roster of all Board members' names in accordance with the law.
