INJURY AND ILLNESS PREVENTION/
DISASTER PREPAREDNESS
ROP BP 3516**

Business Operations

Policy

The North Orange County Regional Occupational Program is firmly committed to maintaining a safe and healthful working and instructional environment. The Program shall maintain a comprehensive injury and illness prevention plan as well as a disaster preparedness plan to prevent or minimize bodily harm, serious loss of time or property damage. This plan is based upon preventive practices and remediation of concerns and is an integral part of the Program's occupational training and staff development program.
