VISION STATEMENT  
ROP BP 0000**

## **Policy**

### **Philosophy & Goals**

North Orange County Regional Occupational Program (NOCROP) will be recognized as the premier career technical education provider in California for high school students. Every high school student in each of our five districts will have access to a sequence of rigorous and relevant career technical courses. These courses, taught by experienced and engaging instructors, will enrich students' high school experience and provide them with the career compass needed to navigate a challenging future.
