

North Orange County Regional Occupational Program
OUTSIDE CLASS ASSIGNMENT
ROP 6154.p.1

Procedure

1. Outside class assignments shall be relevant to the course and challenging to the student.
2. Assignments may include, but are not limited to the following:
 - a. Interviewing a person employed in a field related to the course.
 - b. Touring a business related to the course.
 - c. Researching a specific facet of a field related to the course.
3. Assignments should emphasize quality rather than quantity.
4. Evaluation of completed outside class assignments may be included in the determination of grades earned.
5. Hours of attendance for credit or apportionment purposes may not be increased as a result of the completion of such assignments, except to make up for the loss of credit hours as a result of approved absences.
