

**North Orange County Regional Occupational Program  
EVALUATION OF THE INSTRUCTIONAL PROGRAMS  
ROP AR 6180**

## **Administrative Regulation**

Evaluation of instructional programs shall include the following criteria:

- Student achievement
- Completion rate
- Enrollment
- Placement
- Labor market trends

The Program recognizes other desirable information including:

- Staff, parent, community, and student opinion surveys regarding instructional needs and program operation.
- Measures of student attitudes toward training areas, including enrollment and student demand for course.
- Results of program implementation reviews based on observations of training programs by staff, parents, and community.
- Results of relevant research and evaluation studies conducted by the Program, Western Association of Schools and Colleges, California State Department of Education, or other agencies involved in training activities with the Program.

Revised: January 22, 1997  
Adopted: January 15, 1980
