Board Bylaws

Governing Board policies are written statements adopted by the Board. These communicate guidelines within which the Superintendent or designee and staff may take discretionary action.

The Superintendent or designee shall present drafts or suggestions for new policies and policy revisions when changes in law occur and when specific needs arise.

The Superintendent or designee shall provide for the continuous orderly review of existing policies at a time allocated for this purpose on the agenda of regular Board meetings.

The adoption of policy shall conform with Board Bylaws, governing agendas, meetings and voting. Only those written statements adopted and recorded in the minutes shall constitute official Board policy.

Before adoption, policies shall normally be given two readings by the Board. At its second reading, the policy may be adopted by a majority vote of all members of the Board. The Board may waive the second reading or may require additional readings.
