Policy

Community Relations

The Governing Board encourages parents/guardians and other members of the community to share their time, knowledge and abilities with our students. Community volunteers in our schools enrich the educational program and strengthen the ROP's relationships with homes, businesses, public agencies and private institutions.

The Superintendent or designee may authorize the use of volunteers and shall establish regulations to protect the safety of students and adults in accordance with laws related to tuberculosis testing, fingerprinting and criminal records checks.

Volunteers shall act in accordance with ROP policies, regulations and school rules. At his/her discretion, a staff member who supervises volunteers may ask any volunteer who violates ROP rules to leave the classroom or workplace. The Superintendent or designee shall be responsible for investigating and resolving complaints regarding volunteers.
