Community Relations

Members of the North Orange County Regional Occupational Program staff will treat students, parents, and other members of the public with respect and expect the same in return. The ROP is committed to maintaining orderly educational and administrative processes in keeping schools and administrative offices free from disruptions and preventing unauthorized persons from entering ROP facilities and classrooms.

This policy promotes mutual respect, civility, and orderly conduct among employee, students, parents and the public. This policy is not intended to deprive any person of the right to freedom of expression but only to maintain, to the extent possible and reasonable, a safe harassment free workplace for our students and staff. The Governing Board encourages positive communication and discourages volatile, hostile, or aggressive actions. Public cooperation is requested in this endeavor.

The Superintendent or designee will maintain administrative regulations to resolve disruptions and safety and security concerns.
