Policy

All Personnel

The Governing Board will authorize payment for replacement or repair of work-site damaged or stolen employee's property when such items are job related and are damaged or stolen without the fault of the employee. Maximum payment for any claim, loss, and/or damage is \$450 or actual cost to employee, whichever is less.

To preclude double recovery, any losses, or damages, which are compensable wholly or partially under the employee's private insurance policies shall to such extent not be compensable under the terms of this policy.
