

North Orange County Regional Occupational Program
STUDENT DRESS
ROP BP 5132

Policy

Students

Appropriate dress and grooming is important for success in employment. Furthermore, safety regulations require specific types of clothing and/or personal protective equipment in many occupational areas.

Employer dress and hygiene expectations, safety regulations, personal protective equipment, and other related requirements shall be incorporated into instruction in ROP courses. When necessary, instructors shall establish dress requirements that satisfy safety regulations and are consistent with industry standards for the occupational area taught.
