

North Orange County Regional Occupational Program
SAFETY
ROP BP 5142

Policy

Students

The Governing Board believes priority should be given to safety and to the prevention of student injury. ROP facilities shall be designed and equipment shall be selected to minimize the risk of harm to students.

Staff shall be responsible for the conduct and safety of students during class hours and ROP-sponsored activities.

Instructors shall establish class rules consistent with law, Board policy, and administrative regulation for the safe and appropriate use of ROP equipment and materials for student conduct. Instructors shall train students in safety procedures, shall provide ongoing safety instruction as appropriate and shall administer a safety test to each student. Copies of class rules shall be sent to parents/guardians and be readily available at the ROP class at all times.
